

onto the street...

## Would you pour dirty water in a creek?

- Storm drains in streets and parking lots connect to creeks without any water treatment.
- It is illegal to allow any substance other than rain water to go down the storm drain.
- For questions on hazardous materials disposal: **(408) 299-7300** or [www.hhw.org](http://www.hhw.org)

In accordance with the Americans with Disabilities Act, City of San José Environmental Services Department materials can be made available upon request in alternative formats, such as Braille, large print, audio-tape or computer disk. Requests may be made by calling (408) 535-8500 (Voice) or (800) 735-2929 (CRS).

## Environmental Guidelines

What you pour

## Mobile Food Vendors

- Mobile Food Vendors, like catering trucks, hot dog stands, street fair booths, and kiosks are mobile businesses that prepare, cook, and serve food to the public.
- They are required to possess a valid health permit.
- They are potential pollution sources to the storm drain unless Best Management Practices are used to prevent pollution.
- For further information or to get answers to any questions call **(408) 945-3000**, or go to: [www.sanjoseca.gov/esd](http://www.sanjoseca.gov/esd)

# ...can get washed straight into the creek.

## Here's what you can do to prevent this...
